

IBM CLOUD ACCOUNT CREATION

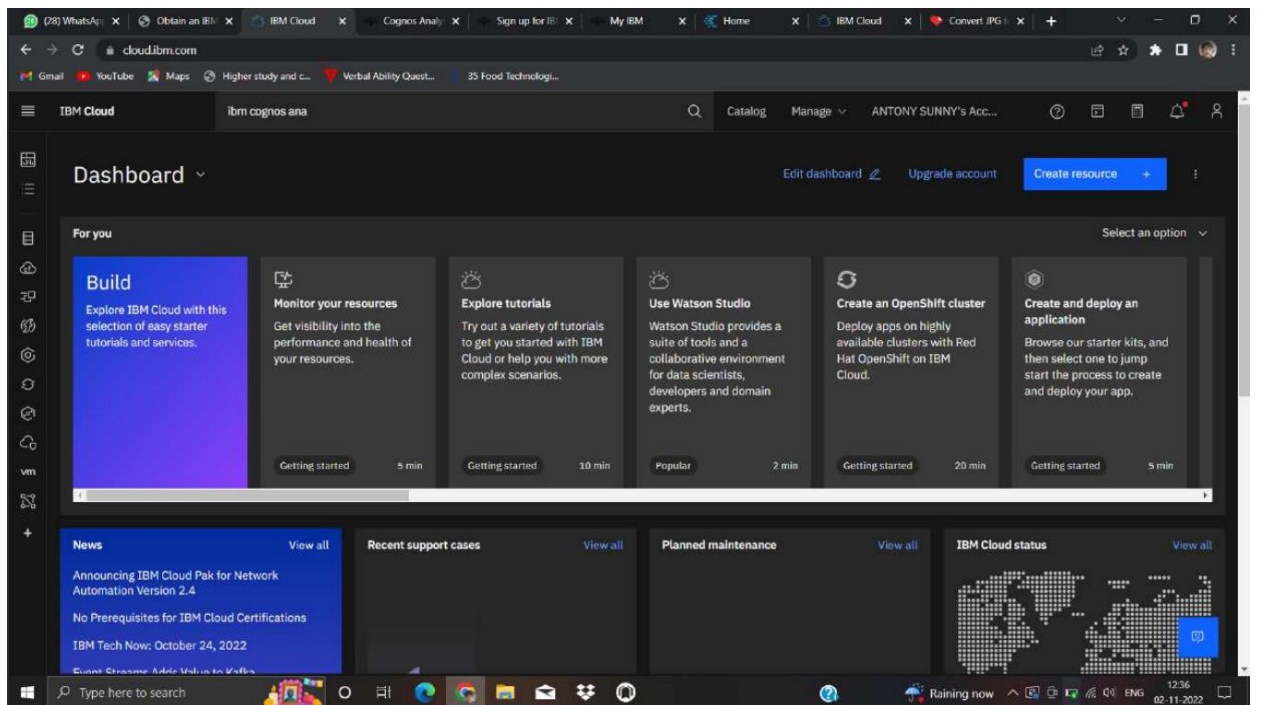

1. ALAN JOHN(TEAM LEADER)

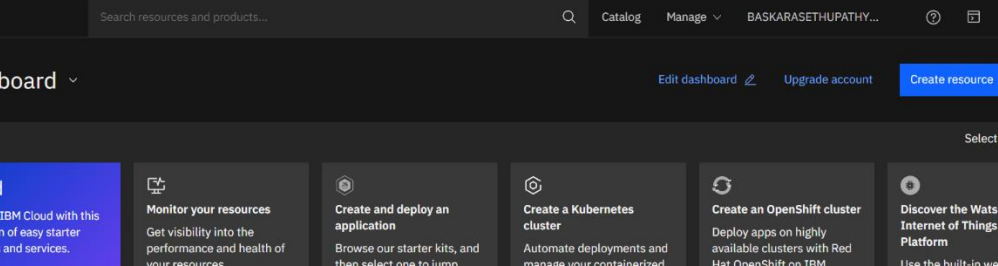

2. AGATHIYAN V (TEAM MEMBER 1)

3. ANTONY SUNNY (TEAM MEMBER 2)

4. Baskarasethupathy S (Team Member 4)

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and several utility icons. The main content area is titled "Dashboard" and includes a "For you" section with six cards. Each card represents a different service or feature, such as "Build", "Monitor your resources", "Create and deploy an application", "Create a Kubernetes cluster", "Create an OpenShift cluster", and "Discover the Watson Internet of Things (IoT) Platform". Each card provides a brief description and a "Getting started" button with a time estimate. Below the "For you" section, there are four more cards: "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The "News" card highlights "Announcing IBM Cloud Pak for Network Automation Version 2.4". The "IBM Cloud status" card shows a world map with a red dot indicating a service issue in the Asia region. The bottom of the dashboard shows a taskbar with various application icons and a system tray with the date and time (12:42 PM 11/2/2022).
